Monthly E newsletter March 2019

EDITORIAL

The March 2019 Edition of the Newsletter is a reflection of two diametrically opposing frames of mind : serious and excitable. The girls left for their exam centres with 'dahi-peda' and 'roli-tika', bearing a sombreness that is unusual in the otherwise chirpy SKV girl. However, when they returned from the exam they were back to being effusive and boisterous !

The CBSE Board Examinations have that effect on teachers and students.

As the sun sets on this academic year, the horizon brightens with the promise of a new one.

Happy Reading!
